EXPERIENCE

CIVILIAN POLICE OFFICER, DEPARTMENT OF THE NAVY; POINT LOMA, CA 2015-PRESENT

- Responsibilities include law enforcement duties to protect the personnel and property of the U.S Government.
- Developed accurate verbal and written reports to senior leadership and supervisors.
- Provided guidance and leadership to junior officers and police recruits.
- Ensured adherence to policies, rules, and organization regulations by all personnel.
- Performed thorough investigation on both criminal and policy violations.
- Patrolled assigned areas to detect and deter crime.
- Conducted interviews and gathered statements from suspects and witnesses.
- Maintained accurate and detailed logs of all events that occurred during each shift.
- Implemented various physical security and anti-terrorism measures to ensure facility safety.
- Conducted preliminary investigations into criminal violations and agency policies.
- Monitor and utilize various camera systems and lock/key systems to ensure facility security.
- Investigated crimes, accidents, violations, and security incidents.
- Screened visitors and contractors for granting access to restricted areas.
- Implemented security practices and procedures to ensure the integrity of government facilities.

MILITARY POLICE OFFICER/FORCE PROTECTION, U. S. NAVY; SAN DIEGO, CA 2003- PRESENT

- Served 10 years on Active Duty. Current Active Naval Reservist

- Hold primary accountability for security, integrity, and protection of United States Navy facilities, events, and personnel.
- Coordinated security with multiple agencies for various training exercises both in the United States and abroad while providing security support for personnel protection, emergency response and crisis management.
- Design and administer protection programs such as physical security, vulnerability analyses, risk mitigation measures, and continuity of operations (disaster recovery).
- Investigate and mitigate all security violations and serve as liaison officer in conducting investigations of incidents involving security.
- Established a security-training program at the unit level ensuring that sailors are properly trained in multiple security practices, anti-terrorism and law enforcement procedures.
- Served as a Force Protection Petty Officer while forward deployed.
- Created standard operating procedures in accordance with DOD guidelines.
- Planned the investigative methods, techniques and approaches prior to directing investigations.
- Developed and Reviewed case files for Military Prosecutors and assisted in special investigations.
- Assist in conducting physical security site surveys and multi-agency working groups.
- Assisted in the creation of security policies and procedures.
